

different shape of induction coils-1

United Induction Heating Machine Limited

We are experienced in Induction Heating, induction heating machine, Induction Heating equipment. They are widely used in induction heating service, induction heat treatment, induction brazing, induction hardening, induction welding, induction forging, induction quenching, induction soldering, induction melting and induction surface treatment applications
<http://www.uihm.com>

custom build induction coils for different applications different shape of induction coils-1

Base Induction Coil Design and Theory

Induction Coil Design and Fabrication
